## Scotswood to Newburn

Saturday 5<sup>th</sup> December 2015

### NOTES

**LIMIT ON NUMBER OF CREWS:** The maximum number of boats in each division for safety reasons will be 130. This limit will be enforced whether or not more than 130 entries have been made on BROE. We will endeavour to suspend entries at about 140, so we will have a number of reserves should any crews scratch before the day. **GET YOUR ENTRIES IN EARLY!**

**TIME AND PLACE OF THE DRAW:** The draw will be finalised at 22 Linden Road, Gosforth, Newcastle upon Tyne at 8.00pm on Monday 30 November 2015.

**ENTRY FEES:** All entries accepted on BROE are liable for the appropriate race fee, which must be paid by 6.00pm on Wednesday 2 December 2015. Any refund in case of non- participation after acceptance is solely at Tyne ARC's discretion. In the event of partial or total cancellation Tyne ARC will make a refund but retaining a proportion of race fees so as to cover its unavoidable costs.

**NUMBERS:** Plastic Empacher slot numbers will be issued. Boats should be equipped with the appropriate fixture. Please return the numbers afterwards. Those not doing so will be named!

**PRIZES & UPGRADING:** There will be prizes in categories or Masters age groups with three or more entries in the final draw and at least two starting. Unless you inform us at the time of entry that this is not acceptable, we reserve the right to say that crews will 'row up' (or for masters, row in a combined age group) so as to give as many crews as possible the chance of a prize.

**WEATHER CONDITIONS:** Coaches must ensure all crews, but especially juniors and novices, are capable of coping with conditions that might be expected in December on a large tidal river, and are dressed appropriately. Marshals may require crews to return to the steps at any time after boating if it appears that they are not capable of managing the conditions. Refunds of race fees will not be made in these circumstances.

**RACE SCHEDULE:** Owing to the tidal conditions and limited light at the end of the day, we must stick to the published boating and start times if possible. Detailed boating schedules will be issued and will be strictly enforced. Crews not ready to boat at the scheduled time may receive a time penalty and will be sent to the back of the queue. Any crew not at the start & under the control of the marshals by 10 minutes before the scheduled start time may not be allowed to start.

**ALTERATIONS:** Tyne ARC reserves the right to make any alterations to these arrangements and instructions which it deems necessary for the safe and efficient promotion of the event.
